Exciting opportunity to join a global advisory firm that specialises in strategy, transformational change, and innovation.

Consulting Analyst at Ampersand Advisory

Ampersand Advisory is a boutique management consulting firm specialising in strategy, transformational change and innovation. As a Consulting Analyst, you'll work directly alongside senior advisors on live engagements for tier-one organisations across mining, utilities and rail — gaining hands-on exposure to complex transformation challenges from the outset. We are seeking a motivated and driven university student in their penultimate year of study who is ready to build real consulting experience alongside their degree.

Role Information:

We're looking for University students with a passion for management who want to work alongside a team of world-class advisors who are equipped with extensive expertise in organisational change, corporate strategy, and program delivery.

This is a unique and rewarding opportunity for an energetic and ambitious university student to receive invaluable experience alongside their degree and work with some of the best management consultants in the world. This role will provide the selected candidate with the opportunity to build an extensive knowledge base and kick-start their career with exposure to high-end consulting work.

Our firm operates primarily at a work-from-home basis which provides a flexible and dynamic environment suited to university studies.

As a member of our team, the Consulting Analyst is responsible for:

- Assisting in the development and delivery of change strategy and operating model design
- Engaging with stakeholders
- Provide support in delivering change strategy and plans, which may include impact analysis, communications, training,

coaching, resistance management, stakeholder analysis, business readiness and adoption.

Required Skills:

- This role requires candidates to be highly organised and driven.
- Strong communication and interpersonal skills to engage effectively and professionally with key stakeholders.
- Ability to work remotely.
- Ability to operate in a dynamic, fast paced, multifaceted operational environment with a commitment to quality of service.
- Ability to work and learn across multiple domains of management consulting including change management, transformation consulting and operating model design.

At Ampersand Advisory, authenticity, innovation, pragmatism and passion shape what we do and is at the heart of who we are. If you're ready to elevate your degree and work with top-tier consultants on cutting-edge projects, all while developing invaluable skills, apply today. Deadline for applications is **06/09/2026**.

To apply, please complete the online application form [here](#) and attach the following documents to your submission (in PDF format):

- Cover Letter (1 page)
- Resume (1-2 Pages)
- Academic Transcript

All candidates will receive the outcome of their application via email on the **11 September 2026**.

We look forward to hearing from you!
